Thanks Chip.

Valerie, please pass this on to Exec and the tech team. We will need to get an idea of the schedule from tech in order to inform EPA next Wednesday. Thanks, Jim.

Jim, Bob and Rick

EPA's approval of the Upstream/Downstream Field Sampling Plan is attached. We didn't specify a date for initiating this sampling in the approval letter but would like to discuss the work schedule at next week's managers meeting. Please let us know if you have any questions.

thanks
Chip
